PREFACE.

It has not seemed necessary to the present editor of the *Index* to make any material changes in the book this year. The garb of Alma Mater, which has proven so becoming to the *Index*, she still continues to wear.

Our original intention to insert pictures of the victorious teams has been abandoned; the *Harvard Portfolio* sufficiently meets the requirements of the University in that direction.

In the arrangement of the subject-matter of the book several slight changes have been made. For instance, all the clubs have been grouped together in one place. Six new societies are represented in our pages, and eight have been dropped. Of these the Art Club, Historical Society, and Bicycle Club have gone out of existence; the Fencing Club, Sparring Association and the Boylston Medical Society have not been heard from. These last, with the Beta Theta Pi, Groton Club, and Finance Club which was not represented last year but still exists, are doubtless enjoying their perennial sleep.

As last year, the Directory of Students has been in the hands of Mr. H. F. Brown, and it is doubtless the most accurate directory ever published by the *Index*.

We are greatly indebted to Mr. D. C. Torrey, the editor of the *University-Catalogue*. We also wish to acknowledge our obligations to Mr. W. B. Curtis and Mr. J. G. Lathrop for the athletic records, and to Mr. L. H. Betts for the crew measurements and strength tests. We wish also to thank President Eliot, Prof. L. B. R. Briggs, Mr. Frank Bolles, and Mr. Montague-Chamberlain, for their kindness. Last, but not least, we thank the many students who have assisted us.

The *Index* is to be regarded not merely as the index of our college clubs, and societies, but also as the index of all business houses who do business with Harvard men. We commend to our subscribers the advertisers who support our publications. In the Index to Advertisements the best dealers under each trade will be found represented.

Strength Lests.

In 1880, when the Hemenway Gymnasium was opened and Dr. Sargent began using the present system of testing strength, the best Harvard record was 675.2 total strength. This has since been exceeded by 338 students; 248 of them reaching 700; 81, 800; 28, 900; and 11, 1,000 points. There have been 812 students, of which 253 are now in the University, with a record of 600, the test required for permission to take part in contests on the University teams in rowing and foot-ball.

- The Rush-line and the "Backs" secure a rare collection of colored bruises and sprains. Use liniment and enjoy absolute rest by owning one of our luxurious stuffed sofas. (\$\frac{8}{9}\$ and upwards.)
- Sprinters, Hurdlers, Long-distance Walkers and Shot-putters will be interested in our solid oak five drawer (\$9.50), and nine drawer (\$14.75) Library Tables, in which they can keep records, press clippings, files of journals, etc., etc.
- Cyclists, Cricketers, Canoeists and Gymnasts need to sleep well at night after their exertions. Perfect sleep goes with every college Bedstead which we sell, with woven wire mattress complete, at only \$5,75
- The Stroke Oar, Bow, and Nos. 2 to 7, with the little 95 lb. Coxswain wear collectively the least amount of clothing of any nine men, and this constant changing of apparel suggests a good Chiffoniere; in solid oak with five drawers, only \$12.75.
- The "Battery," with the Infield and the "fly-catchers," don't seem to have much in common with a good Easy Chair, but we want to mention a chair and begging their pardon for thus using them, we will acknowledge the kindness by selling them a fine, reclining Arm Chair for \$23.00.
